## **SWING STAGE**

We are proud to offer Sky Climber LLC's Sky Stage Ultra modular swing stage please contact us for dimensions and configurations to provide access where you need it.

## **MAINTANENCE**

Vertical Access Limited is proud to offer factory trained staff to service not only our own fleet of hoists but also many makes and models of customer owned hoists. Please contact us with any concerns or inquiries regarding annual maintenance, or repairs on your equipment. Each hoist will be carefully disassembled and inspected, wear parts measured to ensure that they are within specifications, and replaced with new parts if necessary. We will also provide load testing, and documentation of service for your records, providing piece of mind knowing that your equipment will work safely and properly, as well as compliance to all regulations and codes.

## **SCAFFOLD**

We also offer scaffold services, please contact us to help find solutions to your scaffolding requirements.

## **DEBRIS CHUTE**

Please contact us for the supply and installation of debris chutes on your jobsite.

## **SKYMASTER**

A new and innovative product from Sky Climber LLC, which utilizes our modular sky stage ultra, and eliminates the need for top side rigging. A very portable mast climbing system.
